- FC Bikes Update (Nick)
 - Fort Collins hosting an LCI Coaches Training Conference
 - Open Streets on Sept 17- Pitkin Bikeway, call for Departmental contacts at CSU, booth with health/wellness focus
 - Which Departments should be involved? Brainstorm...
 - City would like to involve Departments related to engineering/architecture; place-making focus
 - Health and Exercise Science
 - Rec Center, Trainers
 - Residence Halls, challenge
 - Alumni
 - RamTracks
 - CASA
 - Off-Campus Life
 - Student Affairs
 - Little Shop of Physics
 - City's Annual Bike and Ped counts
 - Need volunteers for two hour intervals, brief training
 - Est total participation in BTWD 2017 = 6,000 people, 59 stations

12:10 – 12:15 PM 5 Min ENFORCEMENT

Police Department Update Joy

- No crashes
- Only one ticket
- 11 bikes to surplus
- Impounded 13 (lot is at capacity)
- 239 bike registrations
- 2 lock cuts

12:15 – 12:45 PM EVALUATION & PLANNING

- Data Review
 - PTS has hired student employee to consolidate data into Google forms, etc.
- Zagster on GameDay Aaron B Carol Erika

- Bikes will be able to come directly to bike valet station; geo cordoned temporary station
- Zagster will be able to communicate with users via text about where to park (at two permanent stations or at bike valet)
- Central Receiving printed up a big bike parking map, to help direct people if bike valet fills up
- Considering moving the permanent racks located at the stadium to a corral near Pitkin, so they can be used during the game
- CBAC Request to all members: if you are going to the game on August 26, please take photos and observe what is/isn't working
 - Carol will create spreadsheet with target areas for CBAC Members to cover
 - Outcome of CBAC/Athletics in July = 8 page insert in Coloradoan with info about bike parking, printing large feather signs

12:45 – 1:00 PM 15 Min ROUNDTABLE Member Contribution Round Robin Style All

CBAC Vision, Mission and Values (Carol)

- Based on 7 E's
- Current mission as listed on CBAC website is a little outdated. Subcommittee met to create revised draft, presented by Carol to group.
- Group provided feedback, as noted by Carol and Heather

EQUITY ENVIRONMENTAL NEXT MONTH – September Admission Bike Tours Covered Bike Parking
