Lory Student Center, Room 312

In attendance: Adrian MacDonald, Ashleigh Rose, Carol Busch, Christina Berg, Heather Reimer, Jamie Gaskill, Joy Childress, Mary Liang, Nick Pfeifer, Steven Dove, Zachary Vaishampayan, Erika Benti

- 1) Call to order (by Elizabeth)
- 2) Introductions/Roundtable – 15 mins.
 - a) Name/Affiliation/News to share?
 - Heather (CSU Central Receiving): several bike related awards at the CSU Police Awards Banquet on May 8
 - Jamie (City of FC):
 - Max 5 year celebration this Saturday, May 11 - Group ride starting at South Transit Center at 11:30am
 - 123 bikes fixed at Fix-it Bonanza on April 22
 - FC Moves is restructuring- will no longer be structured as FC Bikes, Safe Routes to School, etc., now Education and Outreach, Active Modes and Mobility Management
 - Upcoming events:
 - Bike to Work Day: June 26
 - Open Streets: June 16
 - Aaron Buckley (CSU Parking and Transportation Services):
 - Ridership Data - system data from bike and ped counters show that we are up in bike ridership but may be some errors; will report back during next meeting
 - Looking at hosting Smart Cycling class in June - anyone who's interested in taking or teaching can reach out to him
 - Ashleigh (CSU Police): International Police Mountain Bike Association (IPMBA) conference went great; new e-bikes are almost ready use
 - Mary (Housing and Dining Services): Student Move-out next week, still looking for volunteers for “Pack it, Store it, Donate it”
 - Joy (CSU Police): Team will be marking bikes outside the res halls week of May 20, impounding first week in June
- 3) Presentation on ‘bike bait program’ through CSU PD – 5 min: - Still figuring out; *wait until next meeting to discuss*
- 4) Hughes Way/Meridian trail - 5 min: David Hansen – *skipped this item*
- 5) Discuss recommendations for Overland MBC - 5 min: - *Need clarification, will wait until next meeting*
- 6) Bicycle Friendly University (BFU) application – 20 mins. - ‘Education’ and ‘Enforcement’ group reps
 - Erika and Jamie are Education Section leads – Erika led CBAC group through that portion of application and got input on some of the unknown items. Narrative in “Bonus Points” section will talk about how education intertwined with other bike programming; how we use data to inform choices.
 - Joy is Enforcement Section lead – Joy led CBAC group through that portion of application; will add #RamsRideRight info to Bonus Points section
- 7) Committee work on CBAC future- 30 min: Break into groups... Brainstorm how to get started.

- a) Policy: Policy for electric devices (scooters, skateboards, bikes) (16 votes) - University currently working on wheeled devices policy
 - i) Heather Reimer, Aaron Buckley
- b) Education/Enforcement: Partner with CSU PD on bike education and enforcement and increase/improve enforcement. (Combined at 12 votes ea.)
 - i) Erika Benti, Brett Ellis, Christina Berg,
- c) Education: Make CBAC website the “go to” place for bike events and info; one-stop-shop (11 votes)
 - <https://bicycle.dev.colostate.edu/>
 - i) Erika Benti, Dan Baker, Nick Pfeifer
- d) Encouragement: Offer incentives for faculty/staff/students to ride bikes. (10 votes)
 - i) Steven Dove, Elizabeth Terry-Emmot, Aaron Buckley
- 8) Set agenda for next meeting
- 9) Adjourned at 1:00pm

April 2019 CSU PD stats:

- CSU BEEP Tickets:TEEP/BEEP Processed:
 - 26 CSU BEEP Tickets
 - 32 bicycle impounds taken in, 10 release to owners
- 47 (sold by PD) and 13 (sold by The Spoke) bicycle registrations sold (total of 60)
- bicycle lock cut services provided
- Crash data is still being gathered at this time (our Records Manager who is in charge of gathering these stats is out at a training all week)
